Friends of the Library program: Bird Feeding Myths & Facts

HC-2014-21

Hendersonville, NC – Tuesday, May 6, 2014

On Wednesday, May 14th the Friends of the Library will sponsor a program that will help separate the myths and facts about bird feeding. Do hummers stop migrating if you leave your feeder out too late in the season? Is there really a “no-mess” bird food? Can a bird choke on peanut butter?

Simon Thompson will be available to answer all of your questions on bird feeding and general birding in our area. The program will begin at 3:00 p.m. in the Mills River Library, 124 Town Center Drive and is free and open to the public.

For more information you may contact the library at (828) 697-4725.
