FOR IMMEDIATE RELEASE

Vegetation Spraying Begins Around County Rail Lines

HC-2017-22

Hendersonville, NC – August 2, 2017

Henderson County began receiving calls from some very observant citizens about a month ago regarding the overgrowth of vegetation along railroad lines in the county. Marcus Jones, Henderson County Director of Engineering spoke with the road master for Watco, the company that owns those lines, and received the news that spraying for the overgrowth began yesterday, August 1, 2017. According to the Watco spokesperson, the unwanted vegetation should begin to die off in one to two weeks.

Please feel free to contact Watco's customer service line if you have questions regarding the spraying at 866-889-2826.
